Volume One, Issue 7, Page 3 of 10

The following was written shortly after my arrest...

\\The Conscience of a Hacker//

by

+++The Mentor+++

Written on January 8, 1986

Another one got caught today, it's all over the papers. "Teenager
Arrested in Computer Crime Scandal", "Hacker Arrested after Bank Tampering"...
Damn kids. They're all alike.

But did you, in your three-piece psychology and 1950's technobrain,
ever take a look behind the eyes of the hacker? Did you ever wonder what
made him tick, what forces shaped him, what may have molded him?
I am a hacker, enter my world...

Mine is a world that begins with school... I'm smarter than most of
the other kids, this crap they teach us bore me...

Damn underachiever. They're all alike.
